Good afternoon, Ms. Edyta Rogowska:

Pursuant to s. 9 of the *Act respecting access to documents held by public bodies and the protection of personal information*, I am submitting the request for access to the following documents related to non-human primate research at McGill. For greater precision, I have noted the relevant series in the McGill University Classification Plan, to the best of my ability.

01-02-03 Standing and Advisory Committees

- Meeting minutes from the Animal Policy & Welfare Oversight Committee from January 2021 through December 2021.
- Any CCAC Major Animal Welfare self-reporting forms involving non-human primates, sent to the Canadian Council on Animal Care from January 2016 through December 2021; also, any Animal Care Incident Reports pertaining to Major or Serious Welfare Incidents affecting non-human primates from January 2016 through December 2021 (I believe these would be held by the Chair of the Downtown Campus B Facility Animal Care Committee).

01-05-02 Internal Audits

- Any documents pertaining to internal audits of suppliers of non-human primates from 2010 through 2021.

04-10-02 Incidents Files

- Accident, Incident, & Occupational Disease Report Forms pertaining to non-human primates and/or Macaque-Related Injury from January 2016 through December 2021, especially those which reference Standard Operating Procedures 701 and/or 702.

05-02-01 Procurement and Purchasing, or 06-02-03 Vital Records Administration

- The Import Permits obtained by McGill for all non-human primates imported from 2016 through 2021.

10-04-02 Research Files

- All Animal Use Protocols for procedures on non-human primates classified as Category D invasiveness which took place from January 2016 through December 2021.
- All Animal Use Protocols related to the genetic engineering of non-human primates.

Please let me know if I can provide more detail.

Thank you very much for your time,
Abigail Popple (she/her)
