Advisory Committee

Selection of the Principal and Vice-Chancellor – Consultation Questions

March 31, 2022

QUESTIONS FOR CONSULTATION SESSIONS

1. In your view, what are the internal and external opportunities, challenges and priorities facing the University and the Principal and Vice-Chancellor over the next 5-10 years, which are relevant to the search process?

2. Do the priorities and position requirements, as described in the [2012 position profile](#), adequately define the role and responsibilities of the Principal and Vice-Chancellor in the coming 5-10 years? If not, what changes should be considered?

3. In your view, what are the required and desirable qualities that candidates for the position of Principal and Vice-Chancellor should have when it comes to their:
 - a. Values
 - b. Leadership skills
 - c. Qualifications and Experience
 - d. Other characteristics
